Get Summer Camp Bound in The Parks

The time has come to plan summer activities for the kids! The Fairfax County Park Authority offers a wide variety of camps and workshops that provide versatility while exploring the interests of children in a safe environment.

Park Authority camps encourage children to cultivate their self-esteem and personal interests while experiencing a small team atmosphere that generates tolerance of differences and a sense of community. It feels great to succeed and share that success with peers!

Summer camps allow school-aged children both creative and health-conscious outlets for spending time outside of the classroom. Park Authority summer camps and workshops vary from basketball, tennis, skateboarding and fencing to ballet, Irish dance and theatre. Children can also participate in camps specializing in areas such as journalism or leadership. The Park Authority also offers several nature camps that take advantage of the outdoors education the county parks have to offer. Summer camps vary in age groups, lengths and locations.

Registration is underway. For more information on summer camps visit www.fairfaxcounty.gov/parks or speak to an operator when you call 703-222-4664.
